## Roll Call

### *Action Item*

## Recommendations Regarding Protection of Educational Opportunities in Light of State Budget Reductions

Actions taken and/or proposed to be taken by the Governor and/or the Legislature will impact the ability of the University of California, the California State University, and the California Community Colleges to provide educational opportunities for the people of California. The Commission will discuss the potential impact of budget reductions and actions that can be taken to ensure that access and quality are maintained to the greatest possible extent. Topics to be considered will include enrollment management, course availability, program priorities, potential for savings through operational efficiencies, student aid, student fees, and areas for further analysis.

## Executive Session

Pursuant to Government Code Section 11126(c) (8), the California Postsecondary Education Commission will meet in closed session to discuss personnel matters.

## Adjournment
